"I wanted to see him make this kind of face"

I was a gloomy nerd in high school, and at that time I was enthralled with Watanabe Shizuo - my dark past. Now, a few years later, we have reunited and Haruo asked me out. This is my chance. We'll go out, then I'll break up with him, leaving him as 'fettered'.

———— "Kisaraku no Itochu Furetsu" ————

"At last, you get hurt and it's over"

One of Haruo's friends from high school, Toyotake had a drunk encounter with flashy subordinate Shizuo, and they became fuck buddies. Long before, Toyotake hit his lover, Haruo, with as many regrets as he as percepts, wonders if Shizuo will hold him forever?

———— "Tobikiri Kibaku" ————

I'll wash your wound-covered love with my tears.

Good afternoon
the Operator Tanaka.

Thank you for reading this book.
"Kawaii-roid no Tadashii Fushigiyo!"

I wanted to
draw more of
Naruto's work
clothes...! By the
way, Naruto and
Kakashi-san are
connected to
Yamato, the protagon-
ist of my pre-
vious work. They
were in high
school together.

This is one of two serialized comics
I've released in the last two months,
but drawing a guy who was shy in the
past, a character type I love, was feel
like's hair is his livelihood, so he does
an illustration every morning.

before

after

By the way,
sorry that
both-ides in
this book
have stable
content.
That I was
not allowing
my prefer-
ences to rise
full throttle.

These two cried a lot, but I feel like like's
more likely to cry in general. He's the type
to cry not when they fight, but when they
make up when he's happy or relieved.
Naruto, in general, doesn't cry often...
